

Don't Eat Pumpkin Pete!

What You Need to Play:

- Don't Eat Pumpkin Pete Gameboard
- Small bite-sized candies

How to Play:

1. Put one piece of candy in each square of the gameboard.
2. Pick one person to send out of the room.
3. Choose one of the squares on the grid to be "Peter Pumpkin."
4. Bring the person back into the room but don't tell him/her which square "Peter" is on.
5. The person who is "it", picks up candy pieces one at a time. If the candy is not from the square where "Peter" is, the person is allowed to eat it. If the square is "Peter," everyone yells "DON'T EAT PETER!" and that person's turn is over.
